His incoming new UMR is closed already. So I have no way to reflect the information. I have already connected with David and Gary for the UMR situation and requested to remove or cancel his UMR informally. I am not sure this answered your question....

Thanks

Hyesuk,

Has that decision been reflected in the UMR? This will help expedite the efforts to remove his accounts from the system. Thanks. I know none of the decisions on this are under your control and appreciate the communication about the change.

Fyi.

Doug Ericksen has declined the employment offer and will not be coming after all.

Beth,

Please take the lead on this request. Work with Anthony to get information removed from Locator. It will help to understand what changed from information provided in the UMR for a start date.

Good Morning! Patti,

I don't know who the POC is for this task. I thought I would start with you. Can you remove Doug Ericksen's info from the locator? If not, can you forward to the proper person for the action. It would be appreciated if you would EXPEDITE this action.

Thank you for your support

Subject: Doug Ericksen

Hi Hyesuk,

Jeff sent an email to Marianne and I in December suggesting we craft a statement if we get calls about Doug, and he also mentioned that Doug is listed in the locator under his DC number. See below:

| <b>Name (Last First)</b> | <b>Office Phone</b> | <b>Mail Code</b> | <b>Location</b> | <b>Building</b> | <b>Room No.</b> | <b>EPA Employee</b> |
|--------------------------|---------------------|------------------|-----------------|-----------------|-----------------|---------------------|
| Ericksen, Doug           | 202-564-3131        | 1101A            | WASH DC         | WJC-N           | 3312A           | YES                 |

Do you have any thoughts on who I could contact to get Doug removed from the locator?

Thanks!
